OUR CLUB

OBX Home Brewers was founded in 2012 by Thomas Welch in Southern Shores NC. Tom was and is a accomplished home brewer and wanted to spread the great hobby to others and have fun in the process, and instantly our club was born! We typically have meeting monthly, the first Thursday. Annual membership is \$00 per household. Annual membership ends December 31 of every year. We will hold fund raisers a couple times a year to generate additional funds for club expenses.
