

OBX Homebrewers SUMMER NEWSLETTER

Had a great picnic the other Saturday at Martin's Point marina Pavilion. Thanks to Andy for setting up. Andy gave us a tour of his rolling suburban kegerator! See OBXhomebrewers.com for great pictures! We all had some great eats and beers. Contest took place for American Pale with Blake and Ken getting first and second. Was good to see past president Paul Lawson and good to hear his many travel stories. He will be the only member attending HomeBrew Con in Providence so maybe he can post some pictures and such on our club facebook page.. We are going to do a summer meeting in July at Geoff's house 2002 Bay drive in KDH Thursday July 11 from 6-8. Might catch one of those great sunsets and check out his Osprey nest. Jeremy is going to do some off flavor education and Rob will do more Cicerone study information if not at town meeting that night. Please bring any and all sample brews!

Have confirmed with Captain Kerner on the club Dolphin Cruise for August 25 at 2PM. Will have all the details at July meeting but mark your calendar. Same as last year \$10 per person plus tip for mate. Coolers welcome..

Get Brewing Octoberfest contest beer for our October 3rd meeting to decide club winner. Either Marzen or Fest Beer style. Get that slow lager going!

Please share our facebook page around as I will be posting pictures/articles from AHA through out summer. Please forward me anything of interest to post as well.

Hope all are having a great summer. Cheers.. Blake
